Narrator: Do you ever feel alone? Here's Gregg Harris with today's Discover God.

Gregg: Some of the amazing truths about God can be challenging for us to get our minds around and truly grasp. For me, one of those is the fact that God is everywhere. In Psalm 139, David asks the question to the Lord, where can I go from your Spirit? Where can I flee from your presence? And he goes on to say this, "If I go up to the heavens, you are there; If I make my bed in the depths, you are there. If I rise on the wings of the dawn, if I settle on the far side of the sea, even there your hand will guide me, your right hand will hold me fast."

One of the privileges I have had over the last 20 years has been to travel literally all over the world, and to experience God's presence everywhere I go. Whether I'm meeting secretly with a group of church leaders in China, or helping to baptize a woman in a major middle eastern city, or worshipping with Christians in a remote part of Cambodia, I have learned that the Psalmists words ring true, that even if I go to the far side of the sea, God's guiding presence will be there.

Take some time to reflect on this amazing truth about our Lord. He is everywhere, and that means that you are never alone, no matter where you go. To quote the words of David, "His hand will guide you, His right hand will hold you fast."

Narrator: God is with you, no matter where you go. You're never alone. There's nowhere you can go where God isn't.
