

FEBC Prayer Target – July, 2024

Monday, July 1 - Please pray for the people of Ukraine who have lost family members during the ongoing war. Rebecca, an FEBC listener, lost her brother in the war a year ago. "Thank you for being there for me as I was going through a really difficult time. I was looking for answers, and you helped me find them. And now I'm in church!"

Tuesday, July 2 - Pray for the unreached people living in Malawi. The country has experienced severe power outages lasting up to 12 hours at a time. Pray for FEBC's local team as they install solar energy solutions to allow broadcasting to continue uninterrupted.

Wednesday, July 3 - Please pray for listeners like Arsenie, from Russia, who struggled with drug addiction. "I went to a Christian rehab center—that saved my life. I became a Christian there, and that's where I started listening to FEBC's programs. You helped me so much. Thank you!" Please pray for the many listeners dealing with drug addiction. FEBC Russia partners with many Christian rehab centers, providing them with Gospel broadcasts for the patients to listen to.

Thursday, July 4 - Today we celebrate Independence Day. Thank God for the freedom we have in our country to worship Him freely. Pray for those all over the world who are unable to worship Christ openly, especially those who are persecuted for their Christian beliefs.

Friday, July 5 - Please pray for the unreached people of China and Hong Kong. Many continue to face daily challenges due to the high unemployment rate. May God bring hope to the hearts of the people living there and guide our staff as they continue to share the Good News.

Saturday, July 6 - Pray for those living in Mongolia who are facing economic challenges due to the ongoing war in Ukraine. Also, ask the Lord to guide FEBC's rural teams as they speak with listeners and share the message of hope.

Monday, July 8 - FEBC partners with local churches whenever possible. While our broadcasters are gifted at sharing the Gospel, we believe churches are best designed to offer discipleship and fellowship to new believers. Pray our partnerships will be strengthened to help people of all ages grow in their faith.

Tuesday, July 9 - Thank God for the increase in listeners on FEBC Cambodia's social media channels. Pray that the hearts of these new listeners will be open to the Good News and accept Jesus as their Savior.

Ask the Lord to guide and direct our team so that more people hear and experience the power of God's Word and come to faith.

Friday, July 12 - FEBC's Gospel Speaker Boxes are an effective tool to reach ethnic groups in Southeast Asia. The devices include SD cards with over 130 hours of Gospel programming on each card, allowing listeners to hear broadcasts at any time. Pray that all who listen will be changed by the power of the Gospel.

Saturday, July 13 - Over 900 people faithfully serve on FEBC's staff in countries across the globe. Broadcasters, counselors, engineers, programmers, and directors are just a few examples of the many roles needed to lead the ministry. Pray for our teams as they work to share Jesus with the unreached around the world.

Sunday, July 14 - Please pray for the people of India. May the Lord extend FEBC's footprint and increase our Gospel broadcasts to transform lives in this very difficult area. Pray also for our local team to have freedom to serve the ministry each day, with courage to stand strong.

Monday, July 15 - Please pray for the people of Myanmar. Despite this country's vast resources, it's considered to be one of the world's poorest places. Pray for the Paluang people living in refugee camps. Many are persecuted because of their faith in Jesus. Ask the Lord to provide for those in need and guide FEBC's key leaders as they broadcast the Gospel to reach this nation of 55 million.

Tuesday, July 16 - Praise God! FEBC Ukraine has received a 10-year license to broadcast in the cities of Kyiv and Ivano-Frankivsk, where we had temporary war-time licenses. These two stations are receiving the majority of FEBC Ukraine's listener responses, especially in Kyiv, the capital. Please pray for the people in this region to hear about the hope of Christ through FEBC's programs.

Wednesday, July 17 - Pray for those living in the Philippines, especially those still recovering from Super Typhoon Karding. All our staff and broadcast facilities were spared from major harm and damage. May the Good News continue to reach the hearts of all who are searching in this country.

Thursday, July 18 - Because of your steadfast partnership, FEBC is able to grow indigenous leaders, use advancing technology, and share the Gospel boldly to reach the unreached. Pray for more people to discover the love of Jesus, like this listener in Pakistan who shared: "We have been listening to your programs since last year and it's unbelievable to have such amazing teaching in a very personal way."

Friday, July 19 - FEBC launched a project to reach Muslim listeners living in Russia, Kazakhstan, and Kyrgyzstan. Former Muslims, who are now Christians, are sharing their testimonies on the air. Please pray for the safety of these brave new Christians, as they often face threats and are persecuted for their faith.

Saturday, July 20 - Please pray for Jurie, the director of our South Africa ministry. He and his team lead efforts in Mozambique, Malawi, Mali, and Chad. Pray also for the broadcasters as they prepare daily and weekly Gospel programs.

Monday, July 22 - Please pray for people in Kazakhstan living with continued political unrest. Also, pray for FEBC's local team to have wisdom and creativity in developing content for social media. Ask the Lord to guide efforts as they seek to reach more ethnic minority people groups this year.

Tuesday, July 23 - Take a moment to thank God and praise Him for the millions of people all over the world who have tuned into FEBC today and heard the Good News. Thank the Lord for the seeds that have been planted, and for those who have accepted Jesus Christ as their Savior! May the Gospel continue to be proclaimed... until all have heard.

Wednesday, July 24 - Did you know people in Laos can connect with FEBC through platforms like Facebook Live? A listener recently shared: "If I didn't have your programs to listen to, I would have ended my life by now. I came to know the Lord through FEBC and now my life is very different." Please pray that we can reach more people through digital broadcasting.

Thursday, July 25 - Please pray for listeners like Anya, who had to leave her home in Ukraine. "I'm about to leave, but I feel completely unready. I'm going to be alone, and I don't know what's waiting for me." Millions of Ukrainians have had to flee their homes because of the war, scared and unsure of where they would go. Anya prayed with one of FEBC's follow-up evangelists and put her faith in Jesus. Please pray for those who had to flee their homes, that the Lord will lead them to a safe place and that they will hear the Good News through FEBC's programs and come to a saving knowledge of Jesus.
